Catholic Theological Union Conference Services

VENUE RENTAL RATES

Catholic Theological Union at Chicago is pleased to offer conference and gathering spaces to not-for-profit organizations who share the mission of CTU.

- 95,000 square foot, five-story, The James and Catherine Denny Center
- Residence Hall across the street from CTU

Located in the historic Hyde Park neighborhood, CTU is minutes from all the attractions of Chicago and just steps from beautiful Lake Michigan. Here groups will find the convenience of being in an urban setting with the restfulness of a quiet neighborhood by the water.

Built in 2006, CTU's The James and Catherine Denny Center was designed as both a school of theology and a place to serve the wider community.
